Curriculum Vitae - Resume

EDUCATION

Babeș-Bolyai University, Faculty of Mathematics and Informatics

Bachelor's Degree in Computer Science

- Cluj-Napoca, Romania
- Oct 2023 - Present
- Coursework comprises a spectrum of computer science subjects, such as: **Computer Systems Architecture, Operating Systems, Object-Oriented Programming, Data Structures and Algorithms, Mathematical Analysis, and Algebra.**
- These courses collectively provide a well-rounded foundation, covering both theoretical and practical aspects of computer science.

"Mihai Eminescu Theoretical" High School

Mathematics-Informatics Section

- Cluj-Napoca, Romania
- Sept 2019 – Jun 2023
- Final grade 9.92/10
- Valedictorian out of over 90 students
- Romanian Baccalaureate: 8.75 (Mathematics, Informatics, Romanian)

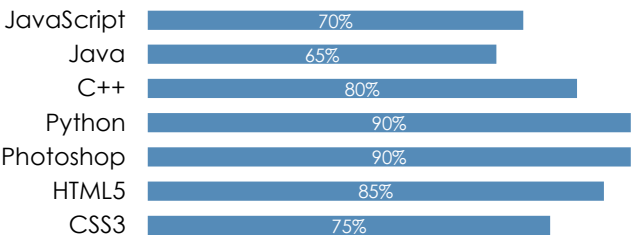

RELEVANT EXPERIENCE

First Tech Challenge (FTC) - Robotics Team

- Sept 2019 – Jun 2020
- I was part of the **Transilvania Robotix** team, which participated in the FIRST Tech Challenge (FTC) competition.
- **My responsibilities included designing and programming the robot, driving it into the games, as well as participating in the team's promotional activities.**
- **We participated at 2 demo-events**, one at Bucharest and one at Turda, and **we also held our own demo-event at Cluj-Napoca.**
- We also participated in the regional competition, where **we won the "Innovate Award"**

SKILLS

- I have a versatile skill set encompassing design, coding, and problem-solving, dedicated to transforming ideas into impactful digital solutions.

HOBBIES

- Programming and Coding Projects
- Artificial Intelligence and Machine Learning
- Photography
- Problem Solving and Puzzles

WORK EXPERIENCE

Hermes Society - the student society of the Faculty of Mathematics and Computer Science

Manager - Image & PR

- Cluj-Napoca, Romania
- May 2024 – Present

- Develop and execute strategic communication plans to enhance our organization's reputation and visibility.
- Manage social media platforms, ensuring consistent and engaging content.
- Handle media relations, including preparing press releases and organizing press conferences.
- Oversee the creation of promotional materials.
- Coordinate events to foster positive relationships with stakeholders.
- Shape the public perception of our organization.
- Ensure effective communication both internally and externally.

Volunteering - Image & PR

- Cluj-Napoca, Romania
- Oct 2023 – May 2024

- My responsibilities included creating and editing visual content for the society's social media platforms, as well as promoting the society's events and activities.

CERTIFICATES

During the 4 years of high school studies, I managed to obtain the following certifications:

- Romanian Baccalaureate Diploma (Mathematics, Informatics, Romanian)
- English language proficiency certificate (B2)
- Digital Skills certificate (100 points)
- Certificate of professional skills:
 - Website Management
 - Management of computer operating systems
 - Providing data processing facilities, including support services
- French language proficiency certificate (9/10)
- YOUTH PASS certificate given by Conseil Départemental de l'Allier, which supports the following qualities:
 - Multilingual Competence
 - Entrepreneurship Competence
 - Digital Competence
 - Mathematical Competence and Competence in Science, Technology and Engineering
- "Changes made by AI", participation diploma given by Oxford for Romania
